

TREE STEWARD TRAINING SESSION

Do you have a passion for the environment and helping people? If so, here's your chance to be a Tree Steward and help us grow Cheyenne's urban forest and strengthen our community!

WHEN AND WHERE

November 4th 8am-4pm
Laramie County Public Library
Cottonwood Room

WHAT YOU WILL LEARN

- Planting, pruning, watering, mulching and weed and grass maintenance.
- Assess and track tree health, provide basic tree maintenance, and advise homeowners in tree care.
- Tree identification, signs and symptoms of insects and disease and management strategies.
- Connect with your community and become a leader and educator for Rooted in Cheyenne.
